

Thank you for visiting JDCF's Valley of Eden Bird Sanctuary. JDCF is a non-profit land conservancy that works in and around Jo Daviess County, IL to help preserve this unique and beautiful part of the Midwest.

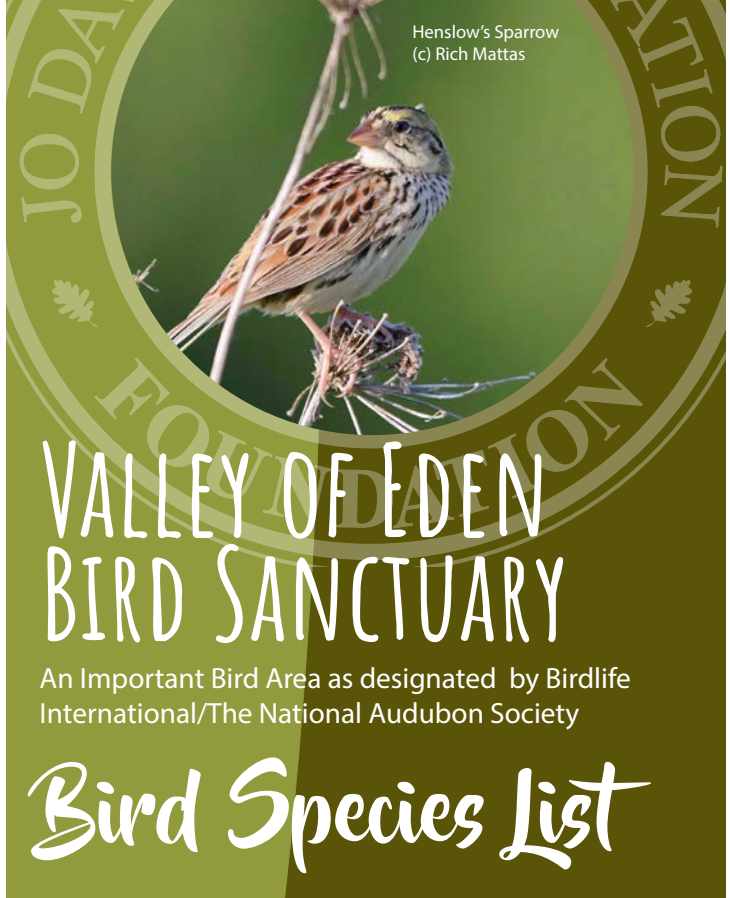

Because Jo Daviess County does not have a forest preserve district to protect and make available parks and recreation areas, JDCF provides this service to our community. We currently have over **1,000** acres open to the public to enjoy outdoor recreational activities for **FREE**.

JDCF is only able to do this work with the support of individuals like you. Annual membership begins at just \$50.00 for you and your entire family! **There is a donation tube at the visitor kiosk or visit us online at www.jdcf.org.**
